

Clariden School
Head of School Search Questionnaire

Dear Clariden Community,

In an effort to ensure every stakeholder in The Clariden School community has a voice in our search for the new Head of School, we are asking you to participate in a quick survey for the Search Committee, our Search Partner (The Education Group), and the Board. Your input is very important to us as we move forward with the process of selecting our next Head. In addition to information gathered through this survey, consultants from our Search Partner will be on campus meeting with parents, faculty, administrators, committee members, and the Board in early March.

In completing the survey, it is important that you answer each of these questions from your particular perspective as a member of the school community, as your insights will be unique from those of others. Please feel free to provide written comments, if you would like, in the comment box after each question. The survey questions are wide-ranging to ensure we are able to capture all perspectives across our American Montessori International (AMI)-certified Lower School as well as our college preparatory-based Upper School .

Note that this survey is anonymous so you will not be asked to give your name or contact information. To ensure confidentiality of responses, the survey information will be collated by The Education Group and shared with the Search Committee and Board of Directors only in terms of outcomes, not individual responses.

This survey is open now and will close end of day Tuesday March 9th. Please click on the link below to open the online survey:
