*Tuition is based on actual school days in the year. A 10% discount is given for payment in full at the beginning of the year. Monthly payment schedule is calculated by dividing the total tuition into 10 equal monthly payments. Monthly payments are debited on or after the first day of each month from August—May. Just as with school tuition, no payment adjustments are made for days missed or holidays. **Extended Day enrollment may be changed or dropped during the year, and prorated amount of any prepaid tuition will be credited or refunded.**

Applications are considered in the order they are received with **priority given to 5-day applicants**. If space is not available for the days/times applied, you will be offered a space for any day/time that is available or placed on a waiting list.

I understand my obligations as outlined above and wish to enroll my child in the program.

Extended Day 2011-2012

The Clariden School is pleased to again offer the Extended Day program for 2011-2012. This is a valuable program which offers safe, nurturing after school care for our Casa, Primary and Elementary students.

In order to ensure adequate space and staffing in the Extended Day program, families should **register in advance** for the desired space (day & time) **for the entire school year**.

Drop-in care will be offered this year on a space available basis, **by block time only** (11:30 - 3:00 and 3:00 - 6:00.) Hourly rates will not be available.

Please consider now what your needs for Extended Day will be, complete the registration form on the back of this letter, and return to the office. Reservations will be accepted in the order they are received, with priority to 5-day applicants. Schedule changes will be accepted during the year as space allows. A small \$30 registration fee will help us provide nutritious snacks and refresh our stock of games and arts & crafts materials for the children.

If you have any questions regarding the Extended Day program, please stop by or call the office. We look forward to another year of providing a strong academic, personal and social learning environment!
