

# SUMMER CAMP AT A GLANCE 2025

## LITERACY WEEK June 2-6 [PreK- Kinder](#)

Everyone loves a story and this summer we will explore some of our favorite authors as we learn about them and work on literacy themed art projects. Each child will choose their favorite author and make a presentation board highlighting this. Designed for children ages 3-5, this camp offers a playful and enriching environment where young learners explore the magical world of reading and writing through hands-on activities, stories, and games.

With a balanced blend of structure and play, our Literacy Summer Camp encourages curiosity, boosts confidence, and allows your child to let their imagination soar to new heights. Your child will leave camp with newfound literacy skills, excitement for learning, and plenty of summer memories!

**\*\*Day 5: Disney Dreamers Celebration\*\*** – Wrap up the week with a costume parade, a mini talent show, and a special "movie magic" surprise.

## Harry Potter Camp - June 2-6 [3<sup>rd</sup>-6<sup>th</sup> grade](#)

Harry Potter Summer Camp immerses children in the magical world of Hogwarts with activities like sorting ceremonies, magical classes, Quidditch matches, crafts, and wizarding challenges. Campers enjoy themed meals, costume contests, movie screenings, and outdoor adventures inspired by the Harry Potter series.

### Creator Camp June 2-August 1 [Ages 6-13](#)

Creator Camp is a summer camp for kids ages 6-13, offering courses in animation, filmmaking, game design, music production, and content creation. In a world where technology grows at an unprecedented speed, children are often drawn into screens without direction or purpose. At Creator Camp, we believe in

showing them a different path—one where technology is a tool for creativity and self-expression. We show them how to take control of their digital experience and use it to fuel their dreams.

### Clariden Volleyball Basics Camp June 2-6 [6<sup>th</sup>-12<sup>th</sup> grade](#)

This will be for incoming 6th-12th grade girls who are Beginner-Intermediate level. This is a great way for students who have never played before to learn some of the basic rules and skills of the sport, especially if they are thinking about playing on the team next year.

### Exploring Space Camp June 9-13 [PreK-Kinder](#)

Blast off into a world of imagination and discovery at our Early Childhood Space Camp! Designed for young children, this fun and interactive program introduces little astronauts to the wonders of space and science through hands-on activities, creative play, and engaging storytelling. Children will embark on exciting missions to explore the stars, planets, and beyond while learning about the basics of space, rockets, and astronauts. Activities include building cardboard rockets, and space-themed art projects. With a focus on curiosity, teamwork, and creativity, our Early Childhood Space

Camp is the perfect way to spark your child's interest in science and exploration—all while having tons of fun in a safe and nurturing environment. Get an out-of-this-world adventure!

Superhero Extravaganza June 9-13 [PreK-Kinder](#)

Calling all future heroes! At *Superhero Extravaganza*, we'll dive into the thrilling world of classic and modern superheroes, exploring their incredible powers, inspiring stories, and what makes them truly legendary. But we won't stop there—we'll uncover the secrets of what it means to be a real-life hero, from bravery and kindness to teamwork and standing up for what's right. Each camper will have the chance to unleash their creativity and craft their very own superhero—complete

with a unique name, costume, and powers! By the end of camp, every child will leave feeling like a superhero in their own right, ready to save the day (or at least make the world a little brighter). So, cape up, mask on, and join us for an unforgettable week of fun, imagination, and heroism!

## Creative Kids Crafts June 9-13 **K-3<sup>rd</sup> grade**

### **Jolly July – July 7 – 11 PreK-2<sup>nd</sup> grade**

Get ready to celebrate the magic of the holidays... in the middle of summer! At *Jolly July Camp*, we're bringing the festive cheer of Christmas, Hanukkah, and Kwanzaa to life in the sunniest season of the year. Together, we'll explore how and why each of these special holidays is celebrated, uncovering their unique traditions, history, and heartwarming stories. Plus, campers will get hands-on with creative crafts inspired by each holiday—think ornaments, menorahs, and kinara decorations—turning fun into meaningful keepsakes. Join us for a joy-filled journey of learning, laughter, and crafting. It's a summer celebration like no other!

### **Lego Robotics – Crazy Carnival July 7-11 1<sup>st</sup>-5<sup>th</sup> grade**

This camp will develop your students' understanding of energy, energy transfer, and collision while also enhancing their engineering design skills. They will explore the relationship between energy and speed, anticipate the outcomes of energy changes during a collision, and predict how energy moves from place to place. As they investigate energy conversion (potential and kinetic), they'll design and test solutions that convert energy from one form to another, refining their approach to improve functionality. Along the way, students will hone

their problem-solving abilities by defining problems, brainstorming solutions, and creating prototypes with constraints. They'll also improve their skills in evaluating and refining ideas by identifying failure points and success criteria, while comparing and modifying solutions—all while designing their own quirky creations and carnival-style games.

### **Cheer Camp July 7-11 [3<sup>rd</sup> -12<sup>th</sup> grade](#)**

Join us for an exciting Cheer Camp designed for students in 3rd through 12th grade! Whether you're a beginner or an experienced cheerleader, this camp offers a fun and supportive environment to improve your skills in tumbling, jumps, and cheer choreography.
