- Programs have different start dates/weeks.
 - Please pay special attention to the specific dates of the programs. Some programs do not begin until March while others start as early as January.
 - If you see an expected date “missing,” this indicates either a no-school day OR a day the instructor is unavailable. These are not errors.
- Registration for MOST programs will occur online via the Jumbula registration system.

 - Some programs have an external registration method or additional paperwork that needs to be completed prior to registration.
- Several programs will have limited enrollment.
 - When enrollment fills, Jumbula will automatically switch the program status to “waitlisted.” You are welcome to add your child’s name to the waitlist or find other programs that are still open.  - If space opens in a waitlisted program, you will receive an email from Jumbula to complete your registration if you still wish to enroll.
